# ARTICLE VII - TOURNAMENTS

## Section 1: Point System

- 7.1.1 The following rules apply to the points given to every member of the chapter for each chapter tournament he or she fishes in:
  - 7.1.1.1 Finishing position in the tournament will be determined by the weight of each competitor's catch in pounds and fractions of a pound. Each team's weigh will be the total of the two individual anglers' weights.
  - 7.1.1.2 At the end of each of the chapter tournaments, each individual earns points based on the individual's finishing position in the event: 1st = 100, 2nd = 99, etc.
  - 7.1.1.3 Big fish weight will be used in the event of tie, if all big fish are equal or no big fish were weighed, all tied individuals will receive the same number of points for that position.
  - 7.1.1.4 Participants that do not weigh-in fish will receive 30 points for fishing the tournament.
  - 7.1.1.5 If a disqualification occurs, that individual will receive zero (0) points for the tournament,
  - 7.1.1.6 Any team not reporting in to the weigh-in site by weigh-in time will be penalized 0.5 pound per minute for the first 15 minutes or until their weight runs out. Any team checking in more than 15 minutes late will not be allowed to weigh in, but will be credited with 30 points for fishing the tournament.
- 7.1.2 Individual points are cumulative. Each individual's lowest tournament score will be dropped and the remaining scores accumulated for total points for year-end standings.
- 7.1.3 The ten anglers with the highest year-end point totals will represent the club in the annual Snow Bowl tournament. If any of these anglers can not fish the Snow Bowl, the angler with the next highest total will take his/her place.
- 7.1.4 A member may fish with a guest or prospective member, as long as the guest participates as a non-boater. All boats entered in a scheduled chapter tournament must be operated by a current member of the chapter and/or of The Idaho Bass Federation, eighteen (18) years of age or older.
- 7.1.5 A guest may only fish one tournament per year; if he/she wishes to fish additional tournaments he/she must become a member of the club prior to the next scheduled tournament.

## Section 2: Tournament rules and Regulations

- 7.2.1 Club tournaments are team events with two individual anglers fishing for individual weights; at the end of the tournament, the two anglers' weights will be added for the team weight. Any fish weighed in must have been caught by the angler weighing in the fish.
- 7.2.2 Each year the Chapter will elect a Tournament Committee of 2 members (Director and Weigh-Master). The Tournament Director may appoint up to 3 committee persons. The committee will determine a Chapter Tournament Schedule and present it to the Chapter. The dates and locations of the set schedule will not be changed except in dire circumstances. The Secretary is responsible for submission and securing necessary permits as required.
- 7.2.3 The Tournament Committee is responsible for the conducting of the tournament, to include collection of entry fees, blast-off, weigh-in times and the weigh-in. At the meeting following completion of the tournament, the committee will present awards to the top three teams and the top two big fish. The remaining half of the tournament funds will be given to the Secretary/Treasurer for year-end awards. The tournament committee is also responsible for filling out and sending in any tournament permit reports required by Fish & Game.
- 7.2.4 To insure the safety of all participants during the blast-off, a drawing will be held to determine the order of the blast-off by the Tournament Committee at the meeting before the tournament. Teams signing up for the tournament after the draw will blast off after the drawn boats in the order that they signed up. The last boat drawn or signing up will call out the blast off for the rest of the boats.
- 7.2.5 All boats in a SRB club tournament are required to use the club's green motor bands to indicate that they are tournament participants. If a boat has problems or an emergency, the band can be reversed to orange to signal the need for help. All bands must be returned at the end of the tournament.
- 7.2.6 The first three boats drawn to blast off are designated release boats for the tournament and are responsible for properly releasing all of the fish caught in the tournament. If a boat does not want to be a release boat, they forfeit their blast off position.
- 7.2.7 The Weigh-Master has control over the scales and the weigh-in procedures.
- 7.2.8 All fish handed over to the Weigh-Master must be legal length. There will be automatic disqualification if an angler has a short fish. Procedure - using a flat board, the Weigh-Master will check for any short fish with the mouth closed; fanning of the tail is permitted.

- 7.2.9 Number of fish weighed in per individual is up to 4 bass of 12 inches or longer or special announced limits based on local regulation. Under no circumstances will the creel exceed the number of length limits, as designed by the State fishing regulations governing the body of water fished upon. If more than 4 bass are brought to the scales, excess bass will be removed to bring the limit down to 4 before weighing; starting with the biggest bass and working down. In addition to the loss of big fish, a penalty of 1 pound will be assessed for bringing more than 4 bass to the scale.
- 7.2.10 All bass in a boat's livewell must be brought to weigh-in, even if over the limit of 4 bass. The penalty for leaving unweighed bass in the livewell is disqualification.
- 7.2.11 One big fish may be weighed in per person for Big Fish awards or as tiebreakers.
- 7.2.12 For each dead fish presented to the Weigh-Master, the competitor shall be penalized 20 one-hundredths (0.20) of a pound. Dead fish do not qualify for any big fish awards or standings. Anglers will not cull dead fish when fishing club tournaments.
- 7.2.13 Competitors will initial and acknowledge their weigh-in results on the Weigh-Master's log at the time of the weigh-in.
- 7.2.14 Teams must check in at weigh-in even if no fish were caught; teams leaving the tournament site before weigh-in must notify the tournament officials or another participant or be disqualified.
- 7.2.15 Complaints must be submitted to the Tournament Director in writing no later than 30 minutes after the weigh-in. Decisions of the tournament officials are final.
- 7.2.16 The three release boats will release all live fish caught in the tournament; no fish will be kept by any tournament participant. All fish must be released at least one mile from the weigh-in location in a low traffic area with suitable bass habitat. The bass should be released in water less than 30 feet deep.
- 7.2.17 Any infraction of a state safety or fish and game law will result in disqualification of that team.
- 7.2.18 Teams participating in a club tournament are expected to follow high standards of sportsmanship, courtesy, conservation and respect. Any infraction of these basic principles of sportsmanship may be deemed cause for disqualification or removal from the club.
  - 7.2.18.1 Any team participating in a club tournament is expected to give immediate aid to another boater or participant in an emergency.
  - 7.2.18.2 Participants must stop and check with any participant whose boat has the banner reversed to the orange side indicating a problem or emergency.
  - 7.2.18.3 Aid is expected to be given in case of an engine failure whenever practical.
  - 7.2.18.4 Courtesy must be practiced at all times, especially when boating or angling in the vicinity of non-participants on tournament ramps or waters.
  - 7.2.18.5 Participants' boats may not touch another angler's boat when fishing a spot. Participants may not fish within 50 yards of a boat that is anchored with the trolling motor up and a marker out unless specifically invited to do so by that angler.
- 7.2.19 Only artificial lures may be used. Pork type strips or bait scents may be used.
- 7.2.20 Only rod and reels are permitted. Only one rod may be in use and in the water at one time, however, any number of rigged rods may be in the boat for substitute purposes.
- 7.2.21 Electrical and mechanical devices such as GPS, depth meters, color-lector, thermometers and oxygen meters may be used.
- 7.2.22 Landing nets are permitted, unless so announced prior to a scheduled tournament.
- 7.2.23 A live well or suitable substitute is required; the Tournament Director will determine suitability of any live well substitute.
- 7.2.24 Tournament participants are not allowed to troll with the internal combustion motor.
- 7.2.25 All fishing is to be done from the boat; participants are not allowed to leave their boat except in case of emergency or with permission of the Tournament Director.
- 7.2.26 Safe boating conduct and all safety precautions must be observed at all times. U.S. Coast Guard and State safety regulations and equipment must be complied with. Any infraction of safe boating principles or regulations may be deemed cause for disqualification.
  - 7.2.26.1 Life jackets or vests must be worn when the internal combustion motor is running.
  - 7.2.26.2 If a kill switch is present on the boat, it must be used whenever the internal combustion motor is running.
  - 7.2.26.3 No boat shall have an engine whose horsepower exceeds that boat's B.I.A. rating.
  - 7.2.26.4 No alcoholic beverages or other intoxicants will be allowed during tournament hours.

- 7.2.27 The following applies to all designated "Draw Tournaments":
- 7.2.27.1 Each boater must bring a non-boater to insure use of his or her boat. The only exception is that if the boater has called one of the designated Tournament Directors before 8 p.m. on the Friday prior to the tournament. If the Tournament Director cannot find a non-boater, it will be with the approval of the Tournament Director for the boater to fish alone. Limit is still 4 fish.
  - 7.2.27.2 In case of the boater shows up at the tournament without a non-boater due to illness or to an emergency, the Tournament Director will rule on this situation after looking into the facts.
  - 7.2.27.3 Spouses and children of the family under 16 years of age will be allowed to fish with the member during a draw tournament, but they must pay the entry fee.
- 7.2.28 People in a boat during a club tournament are limited to participants; non-participants are not allowed on the boat during the tournament. Two anglers per boat are usually required; no one shall fish alone in a tournament without the permission of the Tournament Director.
- 7.2.29 It is the sole responsibility of the boat owner to carry and have proof of public liability insurance covering all passengers in the boat. During any event scheduled in the name of Snake River Bassmasters, Inc., no member or contestant may operate the boat unless they have furnished documented proof of a minimum of \$100,000 boat liability insurance to the Snake River Bassmasters Inc. This document must show an effective date, expiration date, the amount and type of coverage and must be attached to the tournament entry application or on file with the Snake River Bassmasters Inc.
- 7.2.30 The bodies of water of a scheduled tournament will be considered off-limits to all members from the Tuesday before the tournament through the day preceding the tournament.
- 7.2.31 An entry fee of \$20.00 is assessed on all contestants participating in each tournament.
- 7.2.31.1 The first \$10.00 of this is used to cover the cost of trophy plaques for the tournament and payout for the top three teams and two big fish awards.
  - 7.2.31.2 The remaining \$10.00 is used to cover the cost of year-end trophy plaques and largemouth and smallmouth big fish awards of \$100 each. The remainder of the accumulated balance is to be paid out to the top ten anglers of the year on a prorated per-point basis.

## **ARTICLE VIII - DISSOLVEMENT**

- 8.1 Upon termination of the Snake River Bassmasters, all assets will be donated to The Idaho Bass Federation.

## **ARTICLE IX - AMENDMENTS**

- 9.1 This constitution and by-laws may be altered or amended by a vote of two-thirds of the members present at any regular meeting, providing notice of the proposed amendment has been presented to the membership at least one regular meeting prior to the vote.

**REVISED March 2006**
